This study investigates the implementation of educational research among urban secondary students. Dr. Chua Yan Piaw is a professor in the Institute of Educational Leadership at the University of Malaya. He teaches research methods and statistics courses. Lim Zek Chew and Pan Kok Chang, in their study titled “A Relationship between Creativity and Musical Achievement: A Survey of Music Major Trainee Teachers in a Teacher Education Institution,” present a grounded model for educational technology leadership practices. This research was presented at a seminar on September 14, 2017, at the auditorium high impact research.
