the hierarchy of government and ended up leaving because they began to be honest about their experiences rauni kilde wrote a book called there is no death and her story and experiences match steven greers work very well, mind control specialist and author rauni kilde has been at the forefront in the medical amp ufo fields to break new ground in the out of body human no death experience, rauni passed away feb 8th 2015 we send her love and celebrate her achievements she wrote a book there is no death bless her a dear and wonderful friend she wrote
A book there is no death bless her a dear and wonderful friend, I'm very sorry to report the death of Dr Rauni Leena Luukanen Kilde. Rauni was a doctor and the former Chief Medical Officer of Lapland. All her life, she was interested in the paranormal, and in 1982 released her first book, *Kuolemaa ei ole* (There is no death). Since then, she has written many more books and articles. She has lectured extensively all around the world on the supernatural and ghosts. Rauni Kilde, MD, full name Rauni Leena Luukanen Kilde, was not the Chief Medical Officer of Finland; she was the Chief Medical Officer of Finnish Lapland. She also had some position in the Department of Health. On the passing of Rauni Leena Luukanen Kilde, you were famous for the words "there is no death" which also was the title of your first bestseller. A book that became important for many people, and now you are dead, they say.
