Din Vde 0207

German DIN VDE standards for control cables, flexible cables for submersible products, PVC insulated and sheathed installation cables, trailing reeling cable, and other electrical cables. These standards include DIN VDE 0207 Part 21, 24, and 4. DIN VDE 0207 Part 4 is also referenced. Manufacturer names such as Hanstarwire, Prysmian Group, and Hanstarwire are mentioned, along with their approved products. The text also refers to other standards such as DIN VDE 0295 and IEC 60228. Technical information and application notes are provided for some of the cables, including helukabel, standard DIN VDE 0207, and medium voltage reeling cables. The text concludes with a note on the last update, which was on 2018/03/10.
