September 27th, 2014 - The actress had cut her hair for a movie role and had suggested using hair extensions before reprising her role in The Big Bang Theory but the makers wanted her to keep the hair cut for the series. She also took the permission of her husband Ryan Sweeting before getting the new hair cut.

Lunar Hair Care Cutting Your Hair By The Moon’s Phases

October 18th, 2015 - The theory goes that the powers of expansion are strongest when the moon is getting bigger. Waxing becomes nice and full and bright in the sky on its path to being a full moon. During this waxing lunar phase a hair cut will encourage growth right up until the full moon. Think of it as the Werewolf effect. The full moon makes hair grow fast thick long and luscious. When you cut your hair, you should time it to the moon cycle.
